

IMPORTANT NOTICE TO PARTICIPATING EXHIBITORS
CHANGES TO THE EXHIBITOR POLICY WORDING

Please keep this notice with the policy wording

For exhibitors participating in an organisers policy on or after 10th March 2023, the Exhibitor Policy Wording is amended as follows:

- Cancellation and Abandonment claims arising from any and all strike action is now excluded under the policy wording. The following exclusion has been added to the wording:

Total Strike, Labour Dispute or Industrial Action Exclusion

This Insurance does not cover any loss directly or indirectly arising out of, contributed to by, or resulting from any Strike, Labour Dispute or Industrial Action.

Solely for the purpose of this exclusion, "Strike, Labour Dispute or Industrial Action" means a total or partial work stoppage or work-to-rule to enforce demands made on an employer or to protest against an actual or threatened act or condition of employment, or a lockout of **employees** which arises directly from any such activity.

Please contact us if you have any immediate questions regarding any of these changes and we will explain them in detail for you.

Should you have any questions regarding your policy, your policy documents or any of the above, please don't hesitate to contact us.
