The Insured and/or a Participating Exhibitor having made to the Insurers a proposal which has been relied upon to determine the terms and Conditions and having paid or agreed to pay the Premium the Insurers will, subject to the Conditions, Exclusions, terms and limitations contained herein and endorsed hereon, indemnify the Insured and/or a Participating Exhibitor under the terms of this insurance in respect of losses occurring during the Period of Insurance.

This Wording and its Endorsement(s), Certificate (s) and Schedule (s) should be read together as one document and any word or expression to which specific meaning has been given in any part of this Wording shall bear the same meaning wherever it may appear.

**Please read the full Wording to ensure that it has been prepared correctly to meet with your requirements.**

## Introduction

Words written in bold are defined terms in the policy, so please refer to the Definitions section to see the meaning of these terms.

### How the exhibitor policy works for exhibitors paying the participation fee

In return for **you** paying the insurance participation fee, the **Insurers** will provide the cover shown in the **exhibitions organisers** policy schedule during the **Period of Insurance** and provided to you in the Evidence of Insurance document. The **exhibition organisers** remain the policyholder but are allowing the **participating exhibitors** to take part in their policy. Once the participation fee is paid the Cancellation **exhibitor expenses** cover commences. The **exhibitor property** section cover begins once your property items are en route to the venue and ends once the items are back at your business premises/storage location. The Liability section commences during build up and expires at break down of the exhibition.

## Parties to this agreement

This policy is between **you, Participating Exhibitors** and the **Insurers** as declared in the Schedule. This document, together with its Schedule and any attaching endorsements is the policy which sets out this insurance. It is a legal contract so please read all of it carefully.

## Your Policy

Each insured section sets out the scope of the main cover and the circumstances in which the **Insurers** liability to **you** is limited or may be excluded. Further, each section sets out other terms and conditions relevant to that section.

Additional clauses set out terms, conditions, exclusions or limitations that may apply to more than one insured section.

The following general terms apply to all sections, clauses and endorsements:

- What is not covered
- General conditions
- Complaints Procedure and
- Claims procedure

## Policy period and premium

The **Insurers** will provide insurance as described in this policy and Schedule for the Period of Insurance as long as **you** pay the premium(s) and other charges to the **Insurers** or **your** intermediary and the **Insurers** or the intermediary accept the premium(s) and other charges within the terms of **your** invoice. Taxes and other charges apply to this policy in addition to the premium.

If any premium (including a premium installment) is not paid to and accepted by the **Insurers** or **your** intermediary within the terms of your invoice, the **Insurers** may cancel the policy and **you** will have no insurance protection.

## Information you must tell the Insurers

In deciding to accept this insurance and in setting the terms and premium, the **Insurers** have relied on the information **you** have given them. **You** must take reasonable care to provide complete and accurate answers to the questions the **Insurers** ask when **you** take out and make changes to **your** policy.

## Careless misrepresentation in the context of a claim

If, on presentation of a claim, the **Insurers** obtain evidence which suggests that **you** failed to take care to verify the information **you** have provided and the **Insurers** have relied upon in accepting this insurance and setting the terms and premium of this insurance the **Insurers** may:

- Treat this insurance as if it never existed and refuse to pay all claims and return the premiums paid, if **your** carelessness causes **us** to provide **you** with insurance cover which the **Insurers** would not otherwise have offered;
- Treat your insurance as if it had been entered into on different terms from those agreed (specifically to reflect the relevant misrepresentation); or
- Reduce proportionately the amount paid on a claim (specifically to reflect the relevant misrepresentation) if the **Insurers** would have charged more for **your** insurance.

## Careless misrepresentation generally

If the **Insurers** obtain evidence unrelated to any outstanding claim which suggests that **you** failed to take care to verify the information provided to them and the **Insurers** have relied upon in accepting this insurance and setting the terms and premium of this insurance the **Insurers** may:

- Give **you** notice in writing that **you** must pay more for **your** insurance;
- Give **you** notice in writing that the terms of **your** insurance have changed; or
- Cancel this contract of insurance by giving you thirty days' notice in writing and return any premium paid for the balance of the contract term.

If **Insurers** give **you** notice that the terms of **your** insurance have changed or that **you** must pay more for **your** insurance then **you** may give them thirty days' notice in writing that **you** wish to terminate the contract.

Any return premium due to **you** will depend on how long this contract of insurance has been in force and whether **you** have made a claim.

If **we** establish that **you** deliberately or recklessly provided them with false information the **Insurers** may:

- treat this insurance as if it never existed;
- decline all claims; and
- retain the premium (unless it would be unfair to do so).

## Change in circumstance

**You** must tell the **Insurers** as soon as possible about any changes in the information **you** have provided to **us** which happens before or during any Period of Insurance. The **Insurers** will tell **you** if such change affects **your** insurance and if so, whether the change will result in revised terms and/or premium being applied to **your** policy. If **you** do not inform the **Insurers** about a change, it may affect any claim **you** make or could result in **your** insurance being invalid.
